

GMO Statement

lulii MMXII: Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80

We hereby certify that to the best of our knowledge this product was not produced from or with GMO plant material.

Heavy Metals Statement

lulii MMXII: Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80

Based on the declarations received from our raw material suppliers we can confirm that all the 7Twelve Labs products comply with the Packaging and Packaging Waste Directive 94/62/EC, US CONEG Model Toxics legislation in relation to the heavy metals paragraphs.

The requirement imposed by this legislation for heavy metals is that the sum of antimony, arsenic, barium, cadmium, chromium, mercury, lead and selenium in products should be below 100 ppm. 7Twelve Labs confirms that during manufacture of our products, we do not add any of these heavy metals and the concentrations of these substances do not exceed the limits.

This statement concerns only products manufactured within 7Twelve Labs it cannot apply to any subsequently converted versions of 7Twelve Labs products.

We trust that this information will meet your requirements, please contact us if you require further details.

Non-Irradiation Statement

lulii MMXII: Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80

We hereby certify that to the best of our knowledge this product has not been irradiated and does not contain any ingredient that has gone through any irradiation.

Please refer to the Safety Data Sheet (SDS) and all other relevant technical information specific to the product, prior to use. The user of this product is solely responsible for determining the suitability of the product for their particular use and to be in compliance with all laws and regulations applying to the use of this product. 7Twelve Labs, LLC shall not be held responsible for any damages or for any adverse physical effects (including injury or bodily harm) caused by insufficient knowledge, wrongful application or the improper handling or use of this product. As the ordinary or otherwise use(s) of this product is outside the control of 7Twelve Labs, LLC no representation or warranty, expressed or implied is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained. The liability of 7Twelve Labs, LLC is limited to the value of the goods and does not include any consequential loss. 7Twelved Labs, LLC shall not be liable for any errors or delays in the content, or for any actions staked in reliance thereon. This information is considered accurate and reliable as of the date appearing below and is presented in good faith. No warranty, express or implied, is given nor is freedom from any patent owned by 7Twelve Labs, Orbis Health Solutions, LLC. or others to be inferred. Updated June 29, 2020

Palm Free Statement

lulii MMXII: Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80

No palm oil or palm oil derivatives are used as a raw material, or as additives during production or finishing processes in the production of Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80 (lulii MMXII).

Phthalate-Free Statement

lulii MMXII: Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80

We hereby certify that this product was not produced with phthalates, nor does it contain any.

California Prop 65 Statement

lulii MMXII: Tetraethyl Orthosilicate (and) PEG-40 Hydrogenated Castor Oil (and) Polysorbate 80

This certificate is to inform 7Twelve Labs concerned parties that materials produced by 7Twelve Labs do not contain chemicals which are listed on California's Safe Drinking Water & Toxic Enforcement Act of 1986. This Act, commonly known as Proposition 65 (Prop 65), establishes a list of chemicals which the state of California's risk assessment process has determined to present a risk of cancer, birth defects or other reproductive harm. The Proposition 65 chemical list can be found at:

<https://oehha.ca.gov/proposition-65/proposition-65-list>

7Twelve Labs is committed to providing safe, high quality products for our concerned parties. We have worked with our vendors and our supply chain partners to ensure the purchase of raw materials that will meet Prop 65 standards. Be assured, we will continue to monitor the Proposition 65 regulations for any new chemicals. 7Twelve Labs will compare any newly listed chemicals with the raw materials in our finished product and communicate this information to our concerned parties.

Please refer to the Safety Data Sheet (SDS) and all other relevant technical information specific to the product, prior to use. The user of this product is solely responsible for determining the suitability of the product for their particular use and to be in compliance with all laws and regulations applying to the use of this product. 7Twelve Labs, LLC shall not be held responsible for any damages or for any adverse physical effects (including injury or bodily harm) caused by insufficient knowledge, wrongful application or the improper handling or use of this product. As the ordinary or otherwise use(s) of this product is outside the control of 7Twelve Labs, LLC no representation or warranty, expressed or implied is made as to the effect(s) of such use(s) (including damage or injury), or the results obtained. The liability of 7Twelve Labs, LLC is limited to the value of the goods and does not include any consequential loss. 7Twelves Labs, LLC shall not be liable for any errors or delays in the content, or for any actions staked in reliance thereon. This information is considered accurate and reliable as of the date appearing below and is presented in good faith.
